Mayor Bill Given

As the chair of the International Paper Environmental Advisory Committee we would like to extend an invite to you or a representative to sit on the EAC committee.

EAC is the public consultation group for International Paper which was formed to gather input and share information with a broad spectrum of the public in the Grande Prairie area. We review the process operations of International Paper and the Government representative members of the committee will advise on matters relating to government policy. We are also pleased to announce that Nautical Energy has joined our committee.

We meet approximately four times a year on Wednesday's at 6:30pm with supper provided.

Please feel free to contact myself at 780-518-9355 if you have any questions in this regard or to confirm your participation.

Warm regards,

Michael Ouellette  
Chair
